Mr. Colman.
New Bedford St-

c
My dear friend.

I have received
a letter from my wife in
which she writes "Sarah
wishes you to ask Mr Godman
if she can get some white
Strawberry plants?" I sup-
pose you understand what
is meant. Will you write
immediately to Mr Rogers,
my brother, what is to be
done to get them, as there
is an opportunity to send them
this week to the Island.

Yr truly W E Chy
